bent Phil Scott winning a second term, there is a new super-major-ity for Democrats/Progressives in both the House and Senate. This means that they have enough seats (over two thirds) to override vetoes by Scott, assuming caucus members do not break party lines in significant numbers. significant numbers. facovone said he is "honored, mbled, and happy" with the

humbled, and happy with the election results. Hew said he will spend his time before the session re-familiariz-ing himself with primarily health care and affordable housing de-tails. In particular, he said he will monitor closely as the Green

Mountain Care Board works to keep premium rates down for Blue Cross and MVP.

Mountain Care Boster was a war was a bline Cross and MVP.
Yacowone is in favor of Vermout initiating a penalty for those who initiating a penalty for those who initiating a penalty for those who in the said of 15 minimum wage. He voted for S.55, a new gun

He voted for S.55, a new gun law that limits magazine capacity and expands background checks. On education, he is concerned about the state's school merger law Act 46, because he says small See WORK, 8

### **Senator Sanders Visits** Hardwick Head Start

HARDWICK - Sen. Sanders (I-Vermont) got a first-hand look at the Hardwick Head nand took at the Hardwick Head Start facility on November 12 and spoke with staff. "The bottom line," said Bernie Sanders after hearing from workers at the pro-gram about the major challeng-es faced by the facility, "is what should I do?"

Teacher Lesa Cathcart spoke with him about those challengse, chief among them being the 
cramped facility, which is a problem nearly three decades old with 
no end in sight. 
The magnitude of that problem was illustrated from the 
beginning of Sanders' visit, as he 
was quietly threaded through 
are not begin to a complete of the 
no the floor careful me, in wake on the floor, carefu

on the floor, careful not to wake them. Cathcart said the facility is technically "just big enough" for the number of kids served, Judg-ing by the tight quarters where Sanders met with the facility's staff, that assessment may be

Sanders met with the facility's staff, that assessment may be dearly a staff of the lick, which is also technically adequate, men and the staff of almost thirty years to find a ratio, according to Catheart. She told Sanders the facility has tried for almost thirty years to find a with deals falling through at times because adjacent homeowers didn't like the idea of a preschool tress near them. Infinential districts a staff of the program could be relocated ple room, access to the Hardwick Trails, and alse fell getting the relation of the program could be relocated ple room, access to the Hardwick Trails, and alse fell getting the relation of the program could be relocated ple room, access to the Hardwick Trails, and alse fell getting the relation of the program could be relocated as much better idea of what is in all the staff of the relation of the relati

been going on; when Cathcart re-plied "since 1998," Sanders briefly forgot children were sleeping and loudly said in disbelief "Twenty years??"
